

Resident Recreation Pass Agreement

- Current/Valid Recreation Passes are required while using the recreation amenities within the District.
- To ensure that the amenities are only being used by community members and their guests, the onsite patrol team will check recreation passes throughout the year.
- If a current Recreation Pass is not in the Resident’s possession while using the amenities, they and their guests will be asked to leave the area until a current Recreation Pass is presented.
- Recreation Pass holders are allowed two (2) guests per card holder. Guests must be accompanied by a Resident card holder.
- Recreation Passes are revocable.

“If the Recreation Pass holder violates any regulation in the Policy, commits any act of vandalism, engages in unruly conduct or behavior that endangers the RecreationPass holder, others, or district owned property or adjacent property. Parents or legal guardians of minor children will be held responsible for the actions of their minor children and may have their Recreation Passes revoked as a result of the actions of their minor children. All Residents and their guests are responsible for understanding all PTMD rules and regulations.”
